

MARGARET FOX

213 WEBBER AVE. SLEEPY HOLLOW, NY 10591 914 332-9704

Margaret discovered her passion for photography as an undergraduate student, at CUNY Queens College where she studied with Marcia Resnick. She deepened her knowledge and practice at the Visual Studies Workshop in Rochester, NY founded by renowned visual arts educator, Nathan Lyons where she earned my MFA.

COMMERCIAL WORK

Her work as a professional photographer is rich and varied, encompassing fine art, business and education.

Clients include: Bayer Healthcare, the Katonah Museum of Art, Kendal on Hudson, Network for Teaching Entrepreneurship, Pernod Ricard, Praxair, Siemens Healthcare, and Stop & Shop.

The strength of her commercial work derives from her formative years as a fine art photographer, and is conveyed in the creative aesthetic and artistic vision applied to every assignment. Margaret's work has garnered many notable awards including the Print Regional Design Award for U.S. Savings Bonds and the Advertising Club of Westchester's awards in 2011 and 2012 for pro bono projects for the Make A Wish Foundation.
